Co-funded by the European Union

4th T-CREPE WORKSHOP

Wed 15 March

OPEN DAY 1: Education

“Co-creating Digital Technology in Higher Education: Design Thinking, E-learning platforms, Serious Games”

Welcome (9-9.15am CET)
Chronis Kynigos (NKUA, GR)

Keynote (9.15-9.45am CET)
The Role and Potential of Gaming and Co-creation in the Context of the Textile Higher Education
Sebastien Denis (ENSAIT, FR)

SESSION 1 (9.45-10.45am CET)
“E-learning, Serious Games and Coaching in Design Thinking”

1. *Maintaining the momentum of pandemic-driven change in university teaching: Lessons learned*
- Stefan Odenbach (TU Dresden, GER)
2. *How pre- and in-service teachers co-designed Serious ChoiCo Games about socio-scientific issues following the Design Thinking methodology?*
- Marianthi Grizioti (NKUA, GR)
3. *The T-CREPE e-learning platform and students' coaching: A self-learning or instructor-guided tool? A critical reflection on the T-CREPE course cases*
- Melis Örnekoğlu-Selçuk (UGent, BEL)

ROUND-TABLE DISCUSSION 1
Moderator: Marina Emmanouil (UGent, BEL)

INTERACTIVE SESSION 1 (11.00-12.30pm CET)
Let's design a game on 'Coaching'!
Christina Greka (NKUA, GR)

Presentation: *Games inspired by courses, instructors & students*
Voting session: Most inspiring T-CREPE Choico games

1. *What Choico games are, and how to modify 'half-baked' games?*
2. *Hands-on session on the 'half-baked' game on 'Coaching'*
3. *Presentation of the co-created, customised games*

CO-CREATING THE FUTURE IN EDUCATION & THE TEXTILE INDUSTRY

15 & 16 March 2023

SESSION 2 (13.30-14.45pm CET)
“Online Learning in Higher Education Post-COVID-19”

4. *Textile Simulations in the Engineering Higher Education*
- Yordan Kyosev (TEXMIND, GER)
5. *Comparison of digital to conventional teaching: Back to reality*
- Boris Mahltig (Hochschule Niederrhein, GER)
6. *Learning from Covid-19: How the pandemic led to improved digital and remote learning in textile engineering*
- Chris Pastore (Jefferson University, USA)

ROUND-TABLE DISCUSSION 2
Moderator: Yordan Kyosev (TEXMIND, GER)

REFLECTION (15.00-16.30pm CET)
Presentation on the future uses of the T-CREPE Planet platform & games in higher education: Challenges and opportunities
- Markku, Ikävalko (LUT, FI)

ROUND-TABLE DISCUSSION 3
Moderator: Markku Ikävalko (LUT, FI)
